

# About me

My name is Jeremy Hansen. I am in the US Air Force and am currently stationed at Langley AFB in Hampton, Virginia, however, I'm originally from Utah and intend to move back there. I've been using Slackware since version 10.1 or 10.2. I frequent the LQ Slackware forum under the same username as here, bassmadrigal.

## Completed

[How to configure fstab and lilo.conf with persistent naming](#)

## Work in progress
