I'm Xavier Belanger, Ellendhel, using Slackware since 1999 both in personal and professional environment.

I'm French, currently living in U.S.A.

You can found some Slackware articles on my blog (in French) about Unbound and dnssec-trigger (both used for DNSSEC), some rc.firewall and rc.firewall.conf scripts and various guides to install and use ClamAV, to install and use WireShark or to install Monit.

If you need to reach me, send me an e-mail to *slackdocs* -at- *ellendhel.net*
